## Train

Unfortunately, there's no bus connection from 's-Hertogenbosch Central Station to our office. You can walk (15 min), take a taxi or rent a public transport bike at the station.

## Parking

Travelling by car? Follow the alphabet indicated on the building entrances, starting with Entrance F. Drive until you see P4, as indicated on the map below. Entrance M is around the corner.

De Gruyter Fabriek is big – an instruction can be useful. Below, you can find a map showing the routing of the building. Each entrance is labelled with a letter. On the map you can find entrance M, where we'd like to welcome you.
